Principal report:

Revised code of conduct—policy and plan on tardies

Lunch detentions – Management piece from Admin., Teachers reaching out to parents. Chronic tardies are being addressed.

I-Ready is part of the students day—45 minutes a week in ELA and Math – time on task

Discussed on how to do 45 minutes of time during the week. Ms. Draper shared that students in her classes are doing 5 minutes everyday and accomplishing 25 mins in the classroom every week. 45 minutes is difficult.

Brainstorming for students who need to have internet access, computer access. At home access. Students staying after school for tutoring (IReady)

Supplement at home, do not do IReady as bell work. Assign as Homework. When students finish work in the classroom, they can go to IReady.

Magee's Student totals = 316

District is looking for ways to boost in enrollment and what are the causes of low enrollment. Boundaries may change. Market to elementary schools all over the area.

Student council elections: Alexis Hairston was elected as president and will have their first meeting on 9/15.

PBIS—Magee dollars are a positive motivation. Nacho bar, frozen otter pops and we need other ideas. PBIS host an end of the quarter party.
