Student Council Elections

Students can participate in our 2022-2023 student council this year! All 1st period classrooms will have a homeroom representative.

In addition, 7th and 8th graders can run for 4 elected officer positions: president, vice president, secretary, and treasurer. Participating students are encouraged to make signs, speak to their classmates, etc. Ms. Butler (librarian) is planning a short video for students running for officer positions next week.

Questions? Please contact our student council sponsor Ms. Nichols at:

karen.nichols@tusd1.org

Election day is Friday, September 2nd.

Picture Day Next Friday

Get your best clothes ready and your styles looking sharp students! Our fall picture day is coming next Friday, August 26th!

Students will take their pictures during their Science classes. Since pictures are used for the yearbook, all students will participate regardless of whether they buy a pictures package or not. Makeup pictures will be on October 21st.

If you are interested in being a parent volunteer for picture day, let us know by contacting the office!

We Need Your Input! Mission and Vision Survey

The Magee leadership team has met several times through the course of Spring and Summer to draft new Mission and Vision statements. These statements help guide the decision making of all of our school systems and programs.

Help us out by offering your input!

Laptop/ID Distribution

Thank you for your patience with our laptop and ID distribution. Our library aide and site tech liaison have been working hard to get them all checked out to students. Hang in there, we are almost done!!

Pool Testing

Magee offers free weekly pool testing for COVID on campus free of charge. The testing is administered by an outside agency, Concentric.

Testing is voluntary and not required. If you wish to participate, see the linked flyer below. The flyer is also available in the attachments.
