

Magee Middle School

Family and Community Engagement Team Minutes

October 14th, 2024

President: Ashley Ali-Osman

Vice President: Orlando Rodriguez

Secretary: Martin Muecke

Elections:

The meeting at 3:25. Elections were held with the members president. Ashley Ali Osman was voted in president by a vote of 3-0. Orlando Rodriguez was voted in president by a vote of 3-0. Martin Muecke was voted in president by a vote of 3-0.

The group discussed hosting the Two Way Dual Language event for local parents from Bloom Elementary School. Osman said there is lack of knowledge about Magee offering this program. Muecke said the school's counselor is working with the other school's counselor to facilitate this event and is aiming for November 7th for the date of the event. The team is also interested in an evening event two weeks later...perhaps November 18th. This event would be targeted for parents of local students. The school would highlight it's programs with teachers present and have students help with the descriptions of the programs.

Osman suggests highlighting the school's music programs along with trying to be present at various school events at their school sites. The school could also set up pen pal letters with 5th graders.

The group also discussed student recognitions. The group will work with Melissa Molina on building a "pizza with a friend" incentive that students can purchase with their PBIS points. The date would be in November so that there is enough time for students to know about it and build towards it. The group will also help with student recognitions on an upcoming assembly day on October 22nd. The group will contact parent Melissa McDaniel from PTA to assist with pictures.

Meeting adjourned at 4:15 PM
